Next Steps - How we plan to transition this for you!

Safe & Secure Receipt of Materials

- Pallets received are immediately staged in receiving area for thorough receipt
- Insure that all items are in excellent condition
- Insure items are packaged as described (as eaches, cases, pallet, etc)

Inventory Accuracy Verification

- Open every carton received to verify that the correct item and quantity match the carton description
- Re-label every carton with the item number and description should it not match or not be labeled
- Storefront Online Order setup

Transition time & materials available on EasyDocs within 2 days (after initial setup)

- Any item is available to you from the time it hits our dock. Just let us know how we can help.
